RE: Invitation to Bid No. 2012-21 – Construction of East Side Fire Station

Dear Proposer:

Thank you for your company's bid for the construction of the East Side Fire Station for the City of Allentown. The City has reviewed and evaluated all bids that were received and has decided not to award this project. At this time I am returning your bid security. This BID will be reissued in the near future.

We sincerely appreciate your interest in working with us as well as your time in preparing and submitting a bid.

We invite your participation in future Invitations to Bid issued by the City.

Sincerely,

A handwritten signature in cursive script that reads "Barbara J. Molitoris".
